

Adding Golf to Meetings

If you want to make your meeting more than “just a meeting” then we can offer your delegates the opportunity to play a round of golf, or even hit a few balls in the driving range, after their meeting.

For a very special green fee of just £5.00 your delegates can unwind and play as many holes as they like before starting the journey home.

If you are thinking about a staff training day, then why not introduce all of your delegates to golf. We can offer group or one to one tuition on our driving range. We have a limited number of sets of golf clubs available for hire.

If you would like more information please telephone or e-mail.
